The deadline for submission of requests and all necessary documentation for alternative testing arrangements is the regular registration deadline. Because of space, staff, and time constraints, there can be no assurance that requests received after this deadline can be accommodated.

**NOTE:** Score information is not available at the Michigan Department of Education until 72 hours after the score report date. *The world languages PBT administration originally scheduled for April has been changed to July.

## Computer-based testing is available.

Check the website for detailed information.

Most MTTC computer-based tests are administered year-round, Monday through Saturday (excluding some holidays). The world language tests are available in select testing windows.
